PRAYER REQUESTS

Your prayers are very important for a ministry like ours, so we implore you to include us in your prayer list. We do not want to inundate you with a long list of prayer requests, but here are our top prayer requests as of today.

Request 1: Pray for our Youth Ministries.

In Africa and many parts of the world, politics and extreme religious beliefs have become priorities resulting in armed conflicts and displacement of families and communities, turning them into homeless refugees. Children and young adults – mainly in their teens – usually bear the brunt of pain, chaos and instability that the adults created. Nigerian children who live in the Northeastern States of Borno, Yobe, Gombe, Adamawa, Taraba, Jigawa and Bauchi have a firsthand experience of the chaos caused by the Boko Haram – a terrorist Muslim extremist group that specializes in raiding schools and villages, killing adults and kidnapping children for sex slaves and fighters.

How should we respond? There's so much of this going on in the news that most in the Western World become insensitive and develop a "tough skin" because we feel helpless – "can't change a thing out there!"

Truth is, we can pray. We can pray constantly for these children, and we can give to support the missionaries who are working on the frontlines to help restore normalcy to the lives of these children.

In 2022-23, Ife Global Outreach gave \$1,800.00 to help pay for school fees and other related educational expenses for 44 High School Students and 23 elementary students in Taraba State, Nigeria. In 2023, another 13 High school students from Ogun State received funding from us to assist with their education.

What do you pray for? Let's start by praying for security and stability in this region and other parts of the world (including Palestine) where children are victims of wars and insurrections. Pray that more children will be drawn to Christ and devote their lives to serving Him through the work of missionaries in this region. Pray that these children will have the opportunity to get their education in a peaceful environment and grow up to be role models for their communities and impact the world for Christ.

Request 2: Pray for our Children Ministries.

Praise & Bible Club meet on Saturdays.

“We need more snacks!”

That’s a distress call from one of our missionaries who work with little children in Ogun State, Nigeria. This missionary seriously believes in investing her life into these children while they are young – teaching them praise songs and memory verses from the Bible. They meet once a week, on Saturdays. She serves biscuits and water – very appealing incentives to motivate these children to show up every Saturday and bring their friends too.

It should not be surprising that a kid would be motivated to attend a meeting where they serve biscuits and water. Many of these kids are from poverty-stricken single-family homes – living in houses without windows or doors. For some, biscuits and water snacks are their dinner for that day. Resources are very scarce, and Ife Global Outreach can only do so much as the giving comes.

Pray for this ministry, that Ife Global Outreach can continue to supply enough funds to keep the children ministry growing. Pray for encouragement for missionaries who are working with these children. Pray that they will have wisdom to teach the Gospel such that these kids will understand at an early age. When pastors and missionaries on the field share their needs with this ministry, we can only supply out of the little funds we have on hand. Please pray that God will raise up more Christians in the Western World who will have compassion to give to the work of this ministry from what God already blessed them with.

Pray that Ife Global Outreach will not shut down because of lack of funds to operate. It takes the Grace of God for this ministry to continue. We need monthly support partners in order to survive. If God has placed on your mind to give in support of our work, please do so on our website: <http://ife-global.org>
