A ministry of Rotimi & Bose Ladeinde July 2025

Request: Pray for the Outreach to Fidiwo and surrounding villages on July 12.

“...The harvest is plentiful, but the workers are few. Pray for the Lord...to send workers into His harvest field”.

In Matthew 9: 37-38, Jesus said to His disciples *“The harvest is plentiful, but the workers are few. Pray (ask) the Lord of the harvest, therefore, to send workers into His harvest field”* (NIV). So, you may be wondering why we did not issue any ministry updates since April. The answer is in the passage we just quoted.

Since our return from the mission trip to Nigeria at end of March, we also were away through June on a planned trip to Texas and Central America. We returned home to California in the last week of June, overwhelmed with so many tasks that were left undone because of our travels. That includes not responding promptly to your generous giving in support of our ministry, and failing to give you updates from the field monthly as we used to do. We realize that this is a small, but growing ministry, therefore we really need your prayers for God to send help so we can keep up with the tasks.

Outreach to Fidiwo and surrounding villages on July 12, 2025.

The pastors, missionaries and professional volunteers who receive the support from your generous gifts have not stopped working! They are encouraged by your prayers and support. On Saturday July 12, 2025, a group of over 30 volunteers are planning to reach out to Fidiwo and surrounding villages to preach the Gospel and minister to the needs of the villagers using the professional skills that God has given them in their secular jobs. Ife Global Outreach is supporting them with money for transportation, refreshments, medical supplies, food and other essentials that will be distributed to the villagers during the outreach.

Our prayer requests:

1. Please pray for the planned ministry outreach to Fidiwo and surrounding villages on July 12. Pray that God will open the eyes of the villagers so they can understand the Gospel message. Pray for miracles to happen so people can glorify God. Pray for the young volunteers who are taking part in this outreach – that God will use this as a means of preparing them for discipleship and to serve in ministry work.
2. Pray that God will send volunteers to join us in doing the work of this ministry. We cannot afford to pay for workers yet, but we need those who have been called to serve in missions to join us in running this ministry. There is room to train and disciple volunteers to help in moving this ministry forward as we grow together.

Whoever is generous to the poor lends to the Lord, and the Lord will repay him for his deed.
